

## **CHANGE OF OWNER/DETAILS**

To ensure that the Statewide Register works effectively, the contact information of a pet owner must remain as current as possible.

If you change your contact details, or in the instance that you sell or give away your pet to a new owner, it is your responsibility to contact Inverell Shire Council immediately so that we can amend this information on the Register.

The responsibility to change ownership details falls onto the person selling or giving away the cat or dog. Failure to do so may result in a fine.

Please contact Inverell Shire Council's office on (02) 6728 8202 for a [Change of Owner/Details Form](#).
